Dear Rally Steward

Thank you for your enquiry regarding holding a Rally here at Woodlands. Our Rally package is amazing value with free Rally Steward pitch(es) and savings of up to 35% for your guests.

Woodlands is set in the heart of beautiful South Devon countryside with lovely views across woods and fields. Although the Family Theme Park is only a short walk away, the sound of all the action packed fun is hidden in the valley below.

Every care has been taken to give you luxurious facilities from beautifully designed family shower rooms & bathrooms to laundries and spacious pitches. Our friendly staff are always on hand to help you and your guests have a really successful and special break.

We are amongst the top rated UK Camping & Touring Parks, as reflected in our impressive Visit England Five Star status as well as being part of the superior Best of British Five Star Touring and Holiday Parks. We have also been awarded the AA Quality Standard Rating of 5 Pennants. In 2004 we were pleased to receive the title AA National Campsite of the Year for England, it is almost unheard of to receive this award twice but we had in fact already won it in 1991! Winning the Alan Rogers Best Family Campsite in Europe Award was another major achievement, to receive this prestigious award we beat off the competition from 11 European countries.

Whether you have a family or not you will enjoy the Family Theme Park, which is completely free to you and your guests for the duration of your stay. This is a paradise for children and adults as the exciting rides and play equipment are designed for every age group and give days of fun. However, if you are looking for quiet and natural beauty there are delightful walks through the woods, relaxing by the ponds and then taking time to see the amazing Falconry displays.

I have enclosed our 'Rallies - How They Work' document which details all you need to know about holding your Rally at Woodlands. If you have any queries do please give us a call.

Rallies return year after year to Woodlands to enjoy our superb caravan park and the South West's favourite family theme park.

Yours faithfully

Nicola Widger
