Play 'n' Stay Camps

Thank you for your enquiry about holding a camp here at Woodlands.

The award winning facilities make camping as painless as possible for the Leaders, including hot showers, washing up sinks and laundry. The price is £7.75 per person per night for bone fide organisations (such as Cubs, Scouts, Guides, Schools), with at least 15 people in the group. This would be for a minimum of two nights, departure time to suit you up to early evening. Each electric hook up require would be an extra £3 per night. Everyone has free admission to the Leisure Park for the duration of their stay.

To book just enter your details on the enclosed booking form and return it to us with a £50 deposit, balance payable on arrival. We would like to know numbers of tents and caravans and electric hook-ups as early as possible please. Alterations to number of units at a later date we would obviously try and accommodate but cannot always guarantee.

It is particularly important that you, as the Steward, read and understand the conditions of the park printed on the reverse of the form, then just sign and return it with your deposit.

Unfortunately we cannot accommodate groups during the peak periods of Whitsun and the end of July and August (& possibly Easter weekend) but please phone to check availability. You will find a Play 'n' Stay Camp at Woodlands is a unique experience for adults and children alike, combining an excellent range of rides, play equipment, displays and educational amenities with the very best camping facilities in the U.K.

If you have any queries do please give us a call.

Yours faithfully

Nicola Widger
