Rally Bookings

Thank you for your enquiry about holding a Rally here at Woodlands.

The price per unit per night is £27.50 for a minimum of 10 paying units up to 20 units, with one free pitch for Rally Stewards (if there is a total of 11 units or more including the Steward). Larger Rallies of 21 paying units and over pay £23 per unit, per night with two free pitches for Rally Stewards (if there is a total of 23 units or more including the Stewards). A unit consists of a tent, motorhome or caravan and 5 people. Any additional people to the 5 pay £5.50 per night. This needs to be for a minimum of two nights, departure time to suit you up to early evening. Your party would have full use of all facilities of the Leisure Park free for the duration of their stay. Each electric hook-up you require would be an extra £3.00 per night.

To book enter your details on the enclosed booking form, a £50.00 deposit will be required, balance payable on arrival. We would like to know firm numbers of units and number of electric hook-ups as early as possible please. Alterations to numbers at a later date we would obviously try to accommodate but cannot always guarantee.

It is particularly important that you, as the Steward, read and understand the conditions of the Park printed on the reverse of the form, then just sign and return it with your deposit.

Unfortunately we cannot accommodate Rallies during the peak periods of Whitsun and the end of July and August (& possibly Easter weekend) but please phone to check availability. You will find a Rally at Woodlands is a unique experience for adults and children alike, combining an excellent range of rides, play equipment, displays and educational amenities with the very best camping facilities in the U.K.

If you have any queries do please give us a call.

Yours faithfully

Nicola Widger
