

CARAVAN STORAGE AT WOODLANDS

Thank you for your enquiry about caravan storage here at Woodlands Leisure Park. Instead of spending unnecessary amounts of money on fuel by towing the caravan up and down the country and cluttering up the drive at home, we can offer storage on hard-standing in a secure compound at reasonable rates. Apart from a few days over Christmas (22nd to 26th December) and New Year's Day, you can gain access to your caravan seven days a week. The minimum number of nights for storage is 28 (i.e. £35) with payment due in advance, once an account is set up it **must** stay in credit.

Summer storage from 15th March to 15th November is £1.25 per night, Winter storage which runs from 16th November to 14th March is £145.00, inclusive of VAT @ 20 %.

Paying to store your caravan at Woodlands Caravan Park does **NOT** allow you, or any person with you, entrance to Woodlands Leisure Park.

Any time you wish to stay in your caravan on Woodlands Caravan Park, the pitch would need to be booked in the usual manner, storage fees would not apply then. Although peak season bookings are for a minimum of 7 nights on the flat, terraced pitches, we can take shorter bookings on the informal area. We can also take shorter bookings in low season and often at short notice, just give us a ring to check the minimum number of nights and availability. Please read and sign to accept our Conditions of booking on the tariff and those displayed in reception.

We can offer a towing service by prior arrangement (48 hours notice is required) on or off the pitch at a charge of £6.00 per tow or £12.00 for both tows.

If someone other than yourself is using your caravan, please make them aware of the storage agreement conditions at Woodlands; if they are staying here they must read and sign the tariff and booking conditions. It is most important that the keys to any security locks are left in reception particularly if a tow is required.

The caravan remains your responsibility at all times and must be insured. When you are ready to bring your van please read and complete the agreement overleaf, then just ring to check availability.

AGREEMENT FOR CARAVAN STORAGE AT WOODLANDS

The caravan is not the property of Woodlands Leisure Park and as such the responsibility of the caravan remains with the owner. We at Woodlands Leisure Park cannot accept any blame for loss or damage incurred whilst the caravan is left at the Park; caravans and contents are left at the owner's risk. Therefore the owner must insure the caravan at his/her own expense and provide details of the policy below. The insurance must remain valid throughout the period of storage. When staying on a pitch in the Caravan Park, if ground conditions require it, we will tow your caravan on/off a pitch; this will be at the caravan owner's risk, so they should ensure their insurance is sufficient to cover this.

Remember members of your party are responsible for any damage or injury they cause to third parties or their property.

Keys to any security devices (hitch locks, etc.) must be left in the office on departure, please ensure these are clearly labelled with your name and car registration number. As the vans are sited in the storage area, the number plate is always by the hedge; to facilitate easier recognition **we will give you a white laminated card showing your account number & car registration, please display clearly in the main window of your van, i.e. above the tow bar. The red security pass you will receive needs to be kept in your car and produced at the entrance kiosk and in reception whenever you come to Woodlands, in order to gain access to the storage area.**

Your account **must** stay in credit at all times, this means paying **in advance** of the due date. We expect you to contact us to make your payments, we do not send out reminder letters. Debit accounts may be charged interest. If storage fees remain outstanding for more than 3 months, Woodlands reserves the right to sell the caravan at trade price, the owner will be notified prior to this.

Booking to stay on the Caravan Park must be made in the usual way by contacting reception. Please give at least 48 hours notice if you intend to occupy the unit. We can offer the service of towing your van onto a pitch should you request it, for a small charge, by prior arrangement. Please note that for caravans with a specialist dry hitch, we cannot keep them dry as we tow all caravans with the same vehicle.

We do not allow maintenance to vans on the Park without specific authorisation. The handbrake, legs, jockey wheel and towing gear must be in good working order and regularly lubricated. Caravans must be of good appearance.

I, the undersigned, agree to abide by the Rules and Conditions of Woodlands Leisure Park, both those laid out in the Agreement and those displayed in Reception.
